Where local communities can  
use robotics for social good

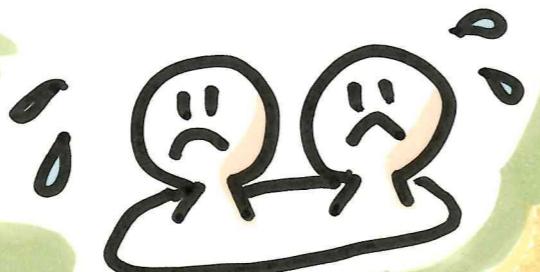

# Volunteer Community Surveyor Program

## Eva-Maria Unger

We can't go other countries  
to study, because so busy...

young surveyors  
need more opportunities!

We want to  
change our  
study  
method...

volunteer apply with  
google form and  
choose countries which  
they will go.

volunteer

They give their knowledge, skill  
from other countries...  
It's easy! Because it spend  
maximum 1 month.
